

Regulations

International School Friendly Event

1. Purpose:

To integrate school children within common passion chess.

2. Tournament Organizer

The Polish Correspondence Chess Commission of the Polish Chess Federation is organising this tournament.

3. Period of play

The tournament is supposed to start on 2020-10-20 with end date 2021-05-31.

4. Participation and entries

This is an invitational event. Invited school teams are eligible to participate in this event free of charge. The organizer reserves the right to reject entry without giving a reason.

There will be 4 server boards (1xgame/board) - 4 players in each team (1xteacher, 3xstudents under 19). A maximum of 2 players may be replaced during the tournament, no more than one per board.

All entries should include following details: school name, Team Captain's name & ICCF ID, names & ICCF IDs of 4 players, board order.

Entries should be forwarded by e-mail to Mariusz Wojnar, e-mail: mariusz.wojnar@gmail.com, to reach him before 30th September 2020.

5. Playing system

This team tournament is supposed to be a single round robin event played by ICCF server. However, depending on the number of registrations, the organizer may choose a different system than a single round robin.

6. Time control and rules

Standard ICCF Rules apply. They are available at the ICCF website under ICCF Rules tab.

The event will be unrated. Time control - an incremental rate of play (initial time: 20 days per game plus increment: 1 move in 3 days with duplication after 20 days; 10 days leave per calendar year, no special leave).

Linear conditionals can be entered. This tournament allows claims based on the 7-piece tablebase (no 50-move rule when a 7-piece ending is present).
